Hi team,

Just putting this out there as a suggestion but maybe we should curtail the amount of travel ESAT does. I understand that they may need to fly people up to Troy to help out Tony and crew but I don't think Mark and Janelle need to go up as much. Also, they may be up there this week for performance reviews or similar...but I think a lot of the business they do could be done over the phone. Just a suggestion if we really want to crack down on the budget. Talk more later.

Thanks,
